

## “WindReach Stars”

We are offering a unique opportunity to show your support for WindReach through the WindReach Stars Annual Campaign”. When you sponsor a star, you can choose to have printed a name of a loved one or list your own name as a proud supporter. There is also the option of honoring or memorializing a family member or loved one. Your investment and support is much more than a star – it will help to continue the legacy of Mr. Alexander “Sandy” Mitchell .

For your generous gift of \$250, \$500 or \$1,000 you will be recognized with a personalized star proudly displayed on the lower level of The Sandy Mitchell Activity Center.

All sponsorships directly support our programmes that provide opportunities for individuals living with special needs to engage in therapeutic and recreational activities that positively impact their overall wellness
